

ABOUT ARRAY

Firm Profile

Focused Exclusively on Healthcare Design
Proven Strategic & Operational Alliances
Design as "Branding" to Build Marketshare
3,000+ Project Success Stories

Array Healthcare Facilities Solutions is recognized as one of the nation's leaders in the design of healthcare facilities. Focusing solely on the healthcare market, Array offers a full complement of planning and design expertise including advisory services, healthcare planning, architecture, and interior design.

With offices in Beachwood, OH; King of Prussia, PA; and, Boca Raton, FL, Array offers the depth of resources, experience, and design leadership required for complex and unique hospital projects.

The Array Team brings specialists who are accustomed to working with healthcare providers as well as with facility management personnel to deliver healing environments that meet schedule and budget while supporting evolving approaches to best practice medicine and emerging medical technologies.

Array understands the technical and management challenges faced by hospitals and the need for flexible facilities that meet changing demographic and patient needs.

We bring experience in several specific healthcare building types. Our portfolio features a wide range of facilities to support patient care including:

- Ambulatory Care Centers
- Behavioral Health Centers
- Emergency Departments
- Cancer Centers
- Cardiology Departments
- Inpatient Services
- Medical Office Buildings
- Women's and Children's Health Centers
